

November 8th, 2008

1st Annual Stem Cell Symposium

Cornell University Stem Cell Program, Ithaca, NY

Online registration: August 15th - October 1st
<http://www.stemcell.cornell.edu>

Carla Kim

Lung stem cells
Harvard University
www.hms.harvard.edu/dms/bbs/fac/Kim.html

Alexander Meissner

Epigenetic reprogramming of stem cells
Harvard University & Broad Institute
www.scrb.harvard.edu/node/41

David Mooney

Cell and tissue engineering
Harvard University
www.seas.harvard.edu/mooneylab

Charles Murry

Stem cells and cardiac repair
University of Washington
www.pathology.washington.edu/research/labs/murry

Jeffrey Rosen

Mammary gland stem cells
Baylor College of Medicine
www.bcm.edu/rosenlab

Weimin Zhong

Neural stem cells
Yale University
www.biology.yale.edu/facultystaff/zhong.html

Organizers:

Tudorita Tumar, Chair
Molecular Biology and Genetics
Alexander Nikitin
Biomedical Sciences
Robert Weiss
Biomedical Sciences
Kenneth Kemphues
Molecular Biology and Genetics
